

寛永出雲国絵図

< 寛永10 (1633) 年 97×134cm >

江戸幕府は、慶長・寛永・正保・元禄・天保の5度、諸国に国絵図の提出を命じている。寛永期は寛永10(1633)年の第1回巡見使派遣の際に作成された。幕府へ提出された国絵図の原本は残っていないようで、いくつかの写本が作られ伝世している。写本にも直接写されたもの、それをさらに写したのものがあ、本図は2次的な写本と考えられる。

Kan'ei Izumo no Kuni Ezu
[Map of the Province of Izumo in Kan'ei Period]

< 1633, 97 × 134cm >

The Tokugawa shogunate government ordered to submit the map of each province for 5 times (Keicho period, Kan'ei period, Shoho period, Genroku period and Tenpo period). In Kan'ei period, the map was drawn to be submitted to the 1st Junkenshi. Though the original map which was presented to shogunate government has been lost, but some handwritten copies have been handed down. Some copies were manuscripts of the original, others were manuscripts of a copy ; this map is considered as a manuscript of a copy.
